

Star Cluster 300 RGB

Code 9278-4

Stunning new full colour edition to the Star Cluster range
Red, green and blue star cluster effect laser
Laser power: 100mW red, 50mW green, 120mW blue
Laser wavelength: 650nm red, 532nm green, 450nm blue
Laser source: red - diode, green - DPSS, blue - diode
Double Burst Grating
Scanning angle: >120 degree
Full wireless remote control
Full DMX512 operation
7 DMX channels
Auto mode
Sound-to-Light via built-in microphone
Variable mic sensitivity
Master/Slave mode
Fan cooled operation
LED display
Tough aluminium chassis
Adjustable hanging bracket
Safety chain loop
On/Off switch
Key switch
Mains fused IEC in and out

Fuse rating: 20mm, 1A Slow Blow
Rated voltage: AC100V-240V/50Hz-60Hz
Power consumption: 11w
Leads supplied: UK / Euro IEC / Class 3B
Dimensions (WxHxD): 160 x 180 x 260mm
Weight: 1.8Kg
